1982-1994
Dear Reader

All the publications covered in this index were released by Indicator SA between 1982-1994. Our growing list of titles covers comprehensively the dramatic spectrum of social, political and economic issues facing the new South Africa.

Indicator SA is an independent publisher located in the Centre for Social and Development Studies at the University of Natal. We publish informed analysis by prominent commentators on contemporary national affairs. We reach a wide readership by producing easy-to-read publications which make available original research, data and in-depth commentary.

Indicator SA offers a unique information service to an influential subscriber base. Over the past decade, our publications have won national and international acclaim for providing astute, balanced coverage of change and conflict in South Africa.

Our publications are attractively presented, with illustrations, tables, text and easy reader summaries. All the single issues indexed here may be ordered from Indicator SA by direct mail at Indicator SA, University of Natal, King George V Ave, Durban 4001, or by fax on (031) 260 2359. An annual subscription service is also available, as well as various special offers (see insert).

We look forward to hearing from you soon
